STAFF MEETING

15th July 2023

AGENDA

- * Staff Discipline
- * Student Discipline
- * Academics
- * Examinations
- * Extra Curricular & Co-curricular activities
- * Research
- * Special Day Celebrations
- * Certifications / Accreditation works

MINUTES

The following points have been discussed :

Male staff should attend college in formal wear, and female staff in sarees. All the teaching faculty and lab faculty must wear aprons.

Hereafter, college timings are rescheduled from 9.00 am to 5.00 pm.

Leave rules as given by SRK Foundation will be strictly implemented.

Bio-metric impressions will be observed and 'late comings/early goings' exceeding the number will lead to salary cut-off.

Staff should intimate and make alternate arrangement for their classwork and submit the leave application prior to taking leave.

Student discipline also must be taken care of by the staff members. They former must be instructed to come in uniform.

wearing identity card apron and shoes. Hair must be plaited and no loose hair dressing is allowed. Corridor discipline must be looked into as a serious aspect by the faculty.

Late comers have to pay a fine of Rs. 10/- and regular absenteeism will not be tolerated.

All the above instructions must be passed on to students by the respective class teachers and class representatives should be utilized as per the rules, and not to carry forward any other official information.

Class teachers should have a thorough understanding of their roles and responsibilities.

All the subject teachers must follow exact timings of entry and exit to their respective classrooms.

Academics comes as a serious concern and to avoid any discrepancies the following measures are to be strictly implemented:

Lesson Plans as per CO-PO mapping should be submitted before the commencement of the semester.

chapterwise MCQs should be prepared and given to students.

Tutorial hours should be designated for the said purpose, with a separate notebook.

To discuss the aspect of labs and practicals, printed records will be made available from this academic year.

Observation books and record correction is to be carried out from time to time on weekly basis according to the weightage distribution, leaving enough time for Viva-Voce.

Syllabus completion before one week to the commencement of the mid examinations is to be done so that one complete week can be allotted for revision.

The discussion further proceeded towards the conduct of examinations.

Three sets of question papers with CO mapping are to be submitted to the exam cell either for Internals or Mid Exams, a week prior to the date.

Invigilation duties must be carried out strictly and responsibly. Correction of Mid books and internal answer scripts are to be completed within 2-3 days after the exam.

For the smooth conduct of

practical exam, senior faculty will be deputed for the internal, and HoD for the external exam.

Mid marks entry to the mother registers and attainments of their respective subjects should be completed as soon as possible after the completion of the exam.

The discussion then moved on to Co-curricular / scientific activities, where it was resolved to make students of II-I & IV-I give subjectwise power point presentations.

Students must be encouraged to participate in Pharma Expo and involve in model making. Mentors may train their mentees towards active participation.

III & IV B.Ph students, IV & V Pharm D students must be able to participate and present posters.

Regarding the extra-curricular activities, it has been decided to encourage students to participate actively in sports/games/yoga/culturals and literary events.

Elouition competitions conducted by IPA must've participants from VIPW.

All the 5 group coordinators must look into their student list-

Research & Publications should be considered and taken as a major focus by all the faculty. They should get their articles published in journals with high impact factor or in UGC core/Scopus/Web of Science journals. They must be plagiarism free, and further they may try for patents and book chapters.

Health Days and their observation is to be carried out by NSC & IPA teams, whereas Pharmacist Day, Pharmacy Week, and Pharma Expo are to be organized by IPA committee. Commemorative Days may be taken care of by UHV & PE Committee.

Other activities may be organized by the coordinators and members of the respective committees.
