Vijaya Institute of Pharmaceutical Sciences for Women organized a career counselling program on "Career Opportunities in Abroad" on 09.02.24. The interactive session was organized to enlighten the concepts regarding overseas education & with the aim of providing information for III & IV B. Pharm and V Pharm D students. In this session students learned the skills which are required for qualifying in IELTS & GRE examination. He also focused on how to list out universities, types of scholarships that are available for the students going for higher education & also highlighted about getting admission into courses related to pharmacy sector.

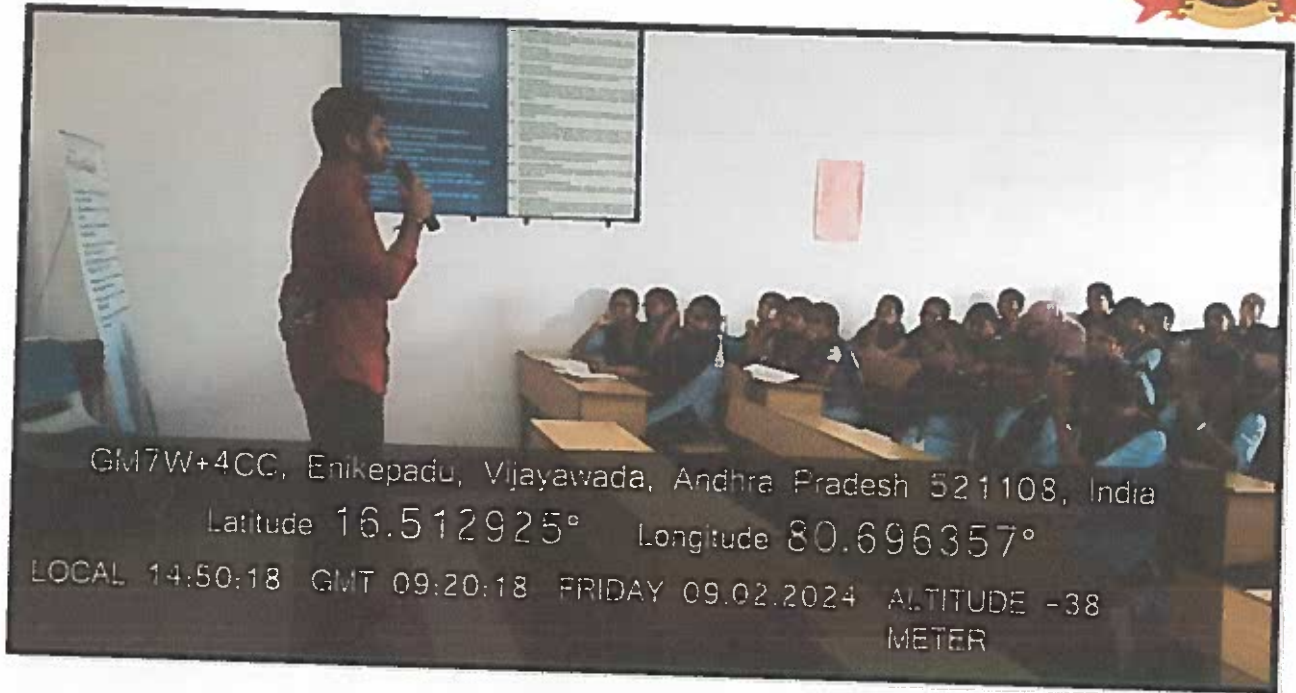

Students expressed their gratitude and expressed their view to conduct more programs of such kind. Dr. K. Padmalatha, Principal of VIPW appreciated for sharing important information in this session. About 234 students participated in the training program.

Vijaya Institute of Pharmaceutical Sciences for Women organized a career counselling program on "Educational Opportunities Abroad" on 11.08.23. The interactive session was organized to enlighten the concepts regarding overseas education & with the aim of providing information for III & IV B. Pharm students. In this session students learned the skills which are required for qualifying in IELTS & GRE examination. He also focused on how to list out universities, types of scholarships that are available for the students going for higher education & also highlighted about getting admission into courses related to pharmacy sector.

Students expressed their gratitude and expressed their view to conduct more programs of such kind. Dr. K. Padmalatha, Principal of VIPW appreciated for sharing important information in this session. About 207 students participated in the training program.

Vijaya Institute of Pharmaceutical Sciences for Women organized a career counselling program on Study Abroad Meet on 07.07.2023 for IV B. Pharm and IV & V Pharm D students. The interactive session was organized to brush-up on concepts regarding overseas education. Mr. T. Pavan and Mrs. M. Sowjanya mainly discussed about various courses that students can in various international universities. They also gave information about the fee at various top most universities which are available for the students going for higher education in foreign countries, and also explored regarding scholarships given by Universities among USA, UK, Canada and Germany. Dr. K. Padmalatha, Principal of VIPW expressed the vote of thanks for sharing their expertise in this session. About 156 students participated in the training program.

Vijaya Institute of Pharmaceutical Sciences for Women organized a career counselling program on **Overseas Education and Career Opportunities for Students** on 27.06.2023. The program was organized with the aim of providing information on preparation aspects for overseas education for IV B. Pharm & V Pharma D students.

The benefit of the program includes

- Broadening views and ways of thinking.
- Benefiting students with future career opportunities by providing more life experiences.
- Complementing and accelerating fluency in speaking, reading, and writing skills in English.
- Providing an alternative academic experience by taking courses not offered elsewhere while earning credits towards graduation.
- Providing opportunities for leadership development through interactions with different cultures.
- Providing opportunities for personal growth and development by gaining self confidence and life experience.
