REPORT

NAME OF THE PROGRAM : Fire Safety Training

DATE : 27.04.2024

RESOURCE PERSON DETAILS : Mr. G. Bhaskar,
Director,
Sunrise Institute of Fire & Safety Engineers,
6-59-6/1, Gajuwaka,
Visakhapatnam.
Email: garapatibhaskar6@gmail.com
Contact Number: 6301736379.

Vijaya Institute of Pharmaceutical Sciences for Women organized a training program on Fire Safety held on 27.04.2024. The program was conducted by Mr. G. Bhaskar. This training session mainly focused on importance of fire safety and Industrial fire safety measures. He provided training and imparted in-depth information regarding National Institute of Disaster Management (NIDM) policies, hazard awareness, emergency evacuation procedures etc. By the end of the session, all the trainees are well trained and knowledgeable with chemical spill emergency, animal bite emergency and biological spill emergency as pharmacists are mainly involved in such activities. Individuals with learning experience skills were assessed and certified. Around 139 students from I B. Pharm and I Pharm D have attended this event. Dr. K. Padmalatha, Principal of VIPW thanked Mr. G. Bhaskar and participants for their keen interest in learning the techniques.

30.01.2024

REPORT

Name Of the Programme : World Cervical Cancer awareness
Place : VIPW Campus
Resource person : Dr. P. Geetha Rukmini
Consultant Radiation Oncologist
Omega Hospitals, Guntur

On the occasion of World Cervical Cancer Awareness Month, Vijaya Institute of Pharmaceutical Sciences for Women in association with Omega Hospitals conducted an awareness programme on Cervical Cancer and its prevention & treatment to the students on 27.01.2024 at 2.00 PM in the seminar hall. This year 2024 came with a theme "Learn. Prevent and Screen". Dr. Geetha explained about the occurrence of cervical cancer and about the Human papilloma virus which causes the cervical cancer and how it can be prevented and treated. Doctor also told students about the incidence of the virus and it is a condition where there is an abnormal growth or proliferation of the cells lining the cervix or the lower portion of the uterus. The infection with the human papillomavirus (HPV) is the most common cause (about 90%) of cervical cancer. She also suggested the preventive measures like taking vaccination against HPV, regular screening, early diagnosis and treatment of pre malignant lesions, abstaining from smoking, minimal exposure to HPV as it spreads through skin-to-skin contact.

REPORT

Name Of the Programme : Voter Enrollment
Place : VIPW Campus
Resource Person : Dr. G. Samaram
Indian Red Cross Society
Vijayawada

Vijaya Institute of Pharmaceutical Sciences for Women in association with Indian Red Cross Society collectively conducted voter enrollment programme for their students. Dr. G. Samaram, Chairman, Indian Red Cross Society educated the students on SVEEP (Systemic Voter's Education & Electoral Participation) 'Greater participation for a stronger Democracy' later on sir explained about that SVEEP is a flagship program of the program of the Election Commission of India for voter education, spreading voter awareness and promoting voter literacy in India. Since 2009, it's been working towards preparing India's electors and equipping with basic knowledge related to the electoral process. SVEEP's primary goal is to build a truly participative democracy in India by encouraging all eligible citizens to vote and make an informed decision during the elections. The programme is based on multiple general as well as targeted interventions which are designed according to the socio-economic, cultural and demographic profile of the state as well as the history of electoral participation in previous rounds of elections and learning thereof. Mrs. Radhika Patil, Mrs. Sunetha of IRCS accompanied Dr. Samaram garu in educating students and enrolling them for their Vote. Approximately 65 to 80 % of the students got benefitted by voter enrollment programme awareness

27.12.2023

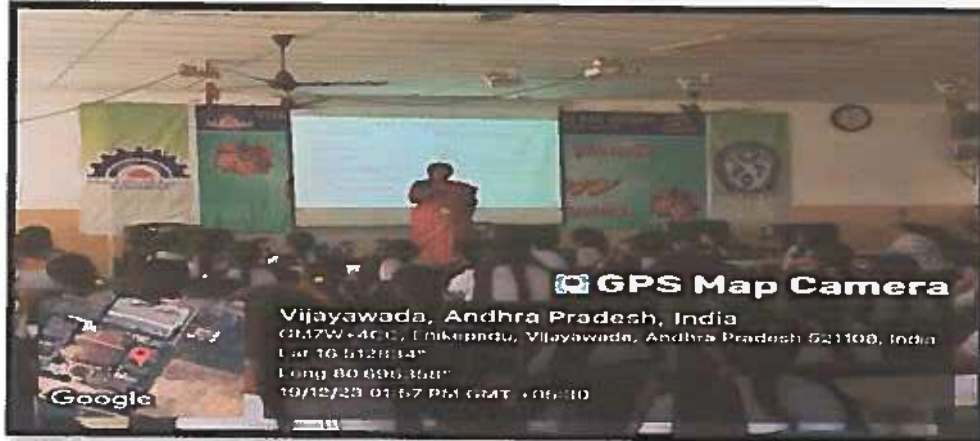

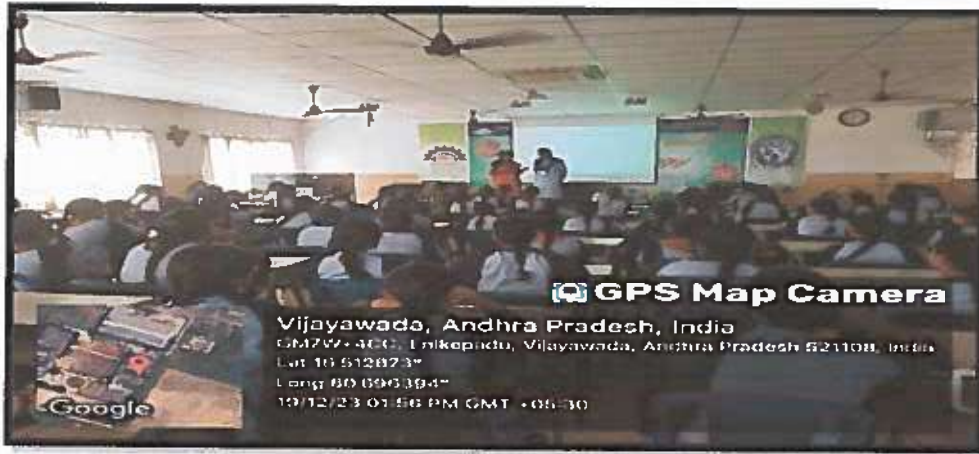

REPORT

Name Of the Programme : World Constipation Awareness Month

NSS Vijaya Institute of Pharmaceutical Sciences for Women conducted an awareness programme on constipation from 19.12.2023 to 20.12.2023 on the occasion of World Constipation Awareness Month. It is a global healthcare event observed annually throughout December. Mrs. K V R Rajeswari, Assistant professor on day one (19.12.2023) explained how constipation occurs and complications caused due to constipation to the students and informed them that constipation is a condition where bowel movements become infrequent or difficult to pass, with reduced bowel movements of fewer than three times a week, often resulting in hard and dry stools. Later, on day 2, the session was carried out by Dr. K. Purushotham Reddy, Professor, HOD Pharmacy Practice gave insight into constipation awareness and its prevalence in the general population and why it is becoming severe day by day. Sir also stated that younger generations are more affected due to their food habits and it is time to change their food habits to avoid constipation sir also added that nowadays students are drinking very little water and they need to drink adequate water to avoid certain complications where Women mostly face slow-transit constipation, where a reduction in colonic motor activity combined with a significantly diminished colonic response is observed following a meal and on awakening in the morning. Pelvic floor dysfunction is another type of constipation where the person is unable to correctly relax and coordinate the muscles in the pelvic floor in order to have a bowel movement.

6.12.2023

REPORT

Name Of the Programme : World AIDS Day
Place : 1) PHC
Kanuru, Vijayawada Rural
2) PHC
Nidamanuru, Vijayawada Rural

NSS Vijaya Institute of Pharmaceutical Sciences for Women conducted an awareness programme at PHCs of KANNURU and NIDAMANURRU on 01.12.2023 to create awareness among the public about World Aids Day. NSS Volunteers participated in the programme to create awareness of how AIDS/HIV is spread and precautions to be taken by distributing the pamphlets. They also educated certain set of the public by conveying the importance of the day and it is an opportunity for public and private partners to spread awareness about the status of the pandemic and encourage progress in HIV/AIDS prevention, treatment and care around the world. Later on, students also explained the theme of the year 2023 'Let Communities Lead', revealing that the world can end AIDS as a public health threat by 2030, but only if communities are fully included and are sufficiently funded to lead the way. It highlights how underfunding and harmful barriers are holding back their lifesaving work and obstructing the end of AIDS. It has become one of the most widely recognized international health days and a key opportunity to raise awareness, commemorate those who have died, and celebrate victories such as increased access to treatment and prevention services. Apart from this students and faculty participated in Vikashith Bharath @2047 on request of Nidamanuru EO and the rally conducted instructed by JNTU K instruction. Dr. Purushotham Reddy, Mr. A. Jayarami Reddy, Dr. Tabitha Sharon, Dr. I. Reshma Naidu and Dr. Bhavani accompanied the students to Nidamanuru PHC while Mrs. K V R Rajeswari accompanied the students to Kannur PHC

with the help of renowned doctors Dr. Kola Vijaya Sekhar, Dr. K. Santhi, Dr. K. Uma Maheswari. On 25th November, the celebrations came to a close with the valedictory programme in the college seminar hall. Dr. J. Nageswara Rao, Deputy RMO, Government General Hospital graced the occasion as guest of honour and Dr. Kola Vijaya Sekhar, Professor, Hod Department of ophthalmology, Nimra Institute of Medical Sciences crowned the programme as Chief guest. Dr. J. Nageswara Rao delivered a speech about the importance of pharmacists in the present society and he appreciated the institution for providing and conducting such knowledge-oriented programmes for pharma students. The chief guest Dr. K. Vijaya Sekhar congratulated and appreciated the principal Dr. K. Padmalatha and Vice-Principal Dr. S. Venkateswara Rao for their service provided to the institutions. Last but not least sir also appreciated the coordinators, Programme organizers for their dedicated work in educated students and for their services provided to the community. Vice-Principal and Coordinator of the programme addressed the budding pharmacists on the significance of age-old Indian medicines and techniques that can cure chronic some diseases. The programme was a great success, as the college received a good appreciation form Kanuru PHC and from various Institutions.

REPORT

Name Of the Programme : World Diabetes Day
Place : New Government General Hospital
Gunadala
Vijayawada

Students of **V Pharm D** visiting **New Government General Hospital** for their clinical classes conducted an awareness programme on **World Diabetes Day** on **14.11.2023**. Students interacted with the patients and explained the importance of the day and theme of the year "**Access to Diabetes Care**". Later on, they explained about prevention of diabetes and diabetes related complications and people with diabetes require ongoing care and support to manage their condition and should avoid complications. The day is intended to raise awareness about disease prevention and getting tests done regularly so that the disease can be detected early stage and it is necessary to understand the disease risk factors, symptoms and treatment. Global research from IDF reveals that 72% of people living with diabetes surveyed only received their diagnosis because they had at least one of the related complications.

REPORT

Name Of the Programme : National Unity Day

Place : VIPW Campus

On the account of birth anniversary of 'Sardar Vallabhbhai Patel, Vijaya Institute of Pharmaceutical Sciences for Women celebrated Rashtriya Ekta Diwas (National Unity Day), on 31.10. 2023 to pay tributes to veteran freedom fighter Sardarji. Students of II Pharm D participated in the 4 K run from the campus to Kanuru via Ballem vari veedi by holding the banner of Unity Day and by holding the placards along with their faculty members Mr. A. Jayarami Reddy and Mrs. K V R Rajeswari. Later in the evening all the students were gathered in the ground to take the Unity pledge. Mr. A. Jayarami Reddy, NSS coordinator and Mrs. K V R Rajeswari addressed the students about the importance behind the celebration of Unity Day that it was Sardar ji whose contribution in convincing many of the princely states to join the Union of India after Independence remains especially notable. As the country remains grateful for Patel's crucial efforts leading to the integration of India, the day is celebrated as a homage to that "national unity". The session ended with Unity Pledge.

REPORT

Name Of the Programme : World Osteoporosis Day
Place : New Government General Hospital
Gunadala
Vijayawada

Students of V Pharm D visiting New Government General Hospital for their clinical classes conducted an awareness programme at Department of Orthopedics on World Osteoporosis Day on 20.10.2023. Students interacted with the patients and explained the importance of the day and theme of the year "BUILD BETTER BONES". Later on, they explained about Osteoporosis is bone related disease that develops when bone mineral density and bone mass decreases, it doesn't show any symptoms unless the fracture happens. Bone becomes so fragile that a fracture can occur with a minor fall, bump or sudden movement. The chances of osteoporosis prevail more with ageing. It is one of the most common causes of fractures in the elderly. Because of the asymptomatic nature of this bone disorder, it is essential to look after bone health to prevent complications related to bone fractures. The day is intended to raise awareness about disease prevention and getting tests done regularly so that the disease can be detected early stage and it is necessary to understand the disease risk factors, symptoms and treatment.

Name Of the Programme : World Mental Health Day
Place : Department of Psychiatry
Old Government General Hospital
Hanuman peta
Vijayawada

Vijaya Institute of Pharmaceutical Sciences for Women participated in an awareness programme at Department of Psychiatry, Old Government General Hospital on the account of World Mental Health Day on 10.10. 2023. Students of V Pharm D who are visiting Old GGH for their clinical classes participated in the awareness programme on World Mental Health Day along with the Doctors and assistants of Department of Psychiatry on 10.10.2023. On 11.10.2023 students created an awareness to the in patients of the department to raise and educate them on mental health issues around the world and mobilize efforts of mental health and also informed patients about theme 2023 "Our minds, our rights" and good health and its vital role in overall health and wellbeing. Students also stated that one in eight people globally are living with mental health conditions, which can impact their physical health, their well-being, how they connect with others, and their livelihoods. Mental health conditions are also affecting an increasing number of adolescents and young people. Dr. K. Purushottam Reddy, HoD, Department of Pharmacy Practice and Dr. Tabitha Sharon accompanied the students.

REPORT

Name Of the Programme : World Arthritis Day
Place : Department of Orthopedics
New Government General Hospital
Gunadala
Vijayawada

Students of V Pharm D who are visiting New Government General Hospital for their clinical classes conducted an awareness programme on **World Arthritis Day (WAD)** on **12.10.2023**. Students educated the in patients of Department of Orthopedics about **Rheumatic and Musculoskeletal diseases (RMSs)**. Arthritis is an inflammatory disease that affects the joints. Later they focused on the theme of the year 2023 **“Living with an RMD at all stages of Life”**. RMDs have a huge impact on the quality of life of those affected. Without proper access to diagnosis, treatment, rehabilitation and social services, people with RMDs can face significant barriers in education, work life, relationships and founding a family, social life and daily activities. All of this is accompanied by chronic pain, side effects of medication, setbacks, fear, loneliness, depression and fatigue that influence the life not only of the person with the RMD but also of family members and caregivers. Regular check-ups with the rheumatologist and related team, in more severe cases hospital stays or surgery followed by rehabilitation and physiotherapy will help to reduce the pain.

17.08.2023

REPORT

Name Of the Programme : 77th Independence Day
Place : VIPW Campus
Enikepadu

Vijaya Institute of Pharmaceutical Sciences for Women conducted and participated in the 77th Independence Day celebrations on 15.08.2023 to celebrate the diversity and unity of the Indian nation. Principal, faculty, non-teaching staff and students of the institution hoisted the National flag and saluted. As the tricolor flag flutters in the breeze and echoes of the National anthem reverberate through the air to mark a symphony of remembrance, tribute to the sacrifice and a celebration of unity. The theme of the year's celebration is **Nation First, Always First** which is in line with the government's focus on national unity and development. Later on, Principal Dr. K. Padmalatha gave a talk saying that this Independence Day is a significant milestone for India. It is a time to reflect on the country's journey since independence and to recommit to the values of freedom, democracy, and equality. The celebrations ended with distribution of sweets to everyone.

Vijaya Institute of Pharmaceutical Sciences for Women organized a training program on Fire Safety held on 15.07.2023. The program was conducted by Sri. Narayana. This training session mainly focused on importance of fire safety and Industrial fire safety measures. He provided training and imparted in-depth information regarding National Institute of Disaster Management (NIDM) policies, hazard awareness, emergency evacuation procedures etc. By the end of the session, all the trainees are well trained and knowledged with chemical spill emergency, animal bite emergency and biological spill emergency as pharmacists are mainly involved in such activities. Individuals with learning experience skills were assessed and certified. Around 140 students from I B. Pharm and I Pharm D have attended this event. Dr. K. Padmalatha, Principal of VIPW thanked Mr. Narayana and participants for their keen interest in learning the techniques.

REPORT

Date: 22-06-2023

Programme: Workshop – JUDO

Title: *Swachha*, (A personal safety and self-defense workshop for women)

Resource Person: Mr. Pavan Sandeep N, NSNIS, PGDSC (Judo) LNIPE, Gwalior

General Secretary

AP Judo Association

The Women Empowerment Cell of VIPW organized a one-day self-defense workshop for I B. Pharm, II B. Pharm, I. Pharm D & IVPharm D students. The coordinator of the committee, Dr. Vishnu Vandana Devi. V welcomed the gathering and emphasized the importance of learning self-defense techniques for women. Principal, Dr. K. Padmalatha, urged the students to become competent enough to face the day-to-day challenges of life by empowering themselves and enhancing their awareness. The resource person, Mr. Pavan, a qualified Judo trainer through his PowerPoint presentation enlightened the audience about the growing crime rate in the state along with the statistics. He suggested them to remember four As – Attitude, Awareness, Avoidance, and Action, as they move out of the house. The acts performed by his team attracted the audience, and the students repeated them. Thus, the programme motivated the students and helped them with some “de-escalation” techniques to face potential violence. Students received certificates at the end of the programme.

INTERNATIONAL YOGA DAY CELEBRATIONS - 2023 REPORT

DATE: 22-06-2023

Guest Speaker: Mr. Ram Charan

Volunteer, ISHA Foundation

Vijayawada Branch

9th International Yoga Day Celebrations with the theme *Yoga for Vasudhaiva Kutumbakam* began with the chanting of *Omkara* by the students of VIPW in the college seminar hall at 10.00 a.m on 21st June 2023. After a welcome note, Principal, Dr. K. Padmalatha greeted the gathering and shared her experiences regarding yogic practices, herself being a committed yoga practitioner. Then, Mr. Ram Charan addressed the students of I B. Pharm, II B. Pharm, I. Pharm D & II Pharm D about the importance of doing yoga, and led students into performing ISHA KRIYA meditation. Mrs. Ch. Siva Jyothi, yoga instructor of the college made students perform yoga asanas according to the common protocol issued by the Ministry of AYUSH, Govt. of India. Students also took an oath issued by the University of JNTUK, Kakinada. Faculty also participated in the meditation activity after the student sessions. Mr. Ramcharan was felicitated with a shawl and a memento by the college for sharing his experience and expertise with the students and staff.
