SUMMARY OF IQAC REPORT

To pursue the action plan for performance evaluation assessment and accreditation and quality upgradation of the institutions, IQAC has been established. The prime objective of the IQAC is to evolve a system for conscious, consistent and catalytic enhancement of the performance of the institutions. In tune with this, the institution's IQAC established on 01.03.2019 has fine-tuned the quality enhancement initiatives, already being implemented. The IQAC establishment has led to the establishment of new Cells like Institution Innovation Council (IIC), Industry Institute and Interaction (III), Intellectual Property Rights (IPR), and Entrepreneurial Development Cell (EDC) to improve Research. The IQAC has also initiated to develop and apply quality benchmarks for academic and administrative activities of the institution. Therefore, all the departments conduct and carry out the activities as per the institutional procedures. The institution also has come up with an increase in the activities of IPA, IPASF and NSS as per the suggestions of the IQAC. During the lockdown period, members of IPASF have come up with several awareness pamphlets and power point presentations on general health and Covid -19 precautions. The IQAC formation resulted in an increase in the number of research publications. Trainings, Add -on Programs and Certification Programs are a value add towards student and faculty development initiatives.

The IQAC has also brought improvement strategies in facilitating the learner-centric environment towards quality education and faculty development. Usage of technology increased with a focus on participatory teaching learning process. Measures to enhance the infrastructure of the institution
